In re:	Chapter 7
RODMAN & RENSHAW, LLC ¹	Case No. 13-
Debtor.	

**GLOBAL NOTES AND STATEMENT OF LIMITATIONS,
METHODOLOGY AND DISCLAIMERS REGARDING
THE DEBTOR'S SCHEDULES AND STATEMENT OF FINANCIAL AFFAIRS**

The above-captioned debtor (the “Debtor”) is filing its Schedules of Assets and Liabilities and Statement of Financial Affairs (collectively, the “Schedules”), in the United States Bankruptcy Court for the Southern District of New York. The Debtor, assisted by its advisors, prepared the Schedules in accordance with section 521 of title 11 of the United States Code, 11 U.S.C. §§ 101, et seq. (the “Bankruptcy Code”) and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”). These Global Notes and Statement of Limitations, Methodology and Disclaimers regarding the Debtor’s Schedules (collectively, the “Global Notes”) pertain to, are incorporated by reference in, and comprise an integral part of, all of the Schedules. These Global Notes should be referred to, and reviewed in connection with, any review of the Schedules.

The Schedules have been prepared by the Debtor’s management and are unaudited and subject to potential adjustment. In preparing the Schedules, the Debtor relied on financial data derived from its books and records that was available at the time of preparation. The Debtor has made reasonable efforts to ensure the accuracy and completeness of such financial information; however, subsequent information or discovery may result in material change to the Schedules and inadvertent errors, omissions or inaccuracies may exist. The Debtor reserves all rights to amend or supplement the Schedules.

Reservation of Rights. Nothing contained in the Schedules or these Global Notes shall constitute a waiver of any of the Debtor’s rights or an admission with respect to any issue in the Debtor’s chapter 7 case, including, but not limited to, any issues involving objections to claims, equitable subordination, defenses, characterization or recharacterization of contracts, assumption, or rejection of contracts under the provisions of chapter 3 of the Bankruptcy Code and/or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant laws to recover assets or avoid transfers.

Description of the Case. On January 11, 2013 (the “Petition Date”), the Debtor filed a voluntary petition for relief under chapter 7 of the Bankruptcy Code in the United States Bankruptcy Court for the District of New York (the “Chapter 7 Case”).

¹ The last four digits of the Debtor’s tax identification number are 8117.

Basis of Presentation. For financial reporting purposes, the Debtor's parent, Direct Markets Holdings Corp. ("DMHC"), prepares consolidated financial statements, which include information for the Debtor and DMHC's other consolidated entities. DMHC is simultaneously herewith filing a Voluntary Petition. The Schedules are unaudited and reflect the Debtor's best efforts to report the assets and liabilities of the Debtor on an unconsolidated basis. The Schedules neither purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles ("GAAP"), nor are they intended to fully reconcile to the financial statements.

Insiders. For purposes of the Schedules, the Debtor defines "insiders" pursuant to section 101(31) of the Bankruptcy Code as (a) directors; (b) officers; (c) relatives of directors or officers of the Debtor; and (d) persons in control. Except as otherwise disclosed, payment to insiders in (a) through (d) are set forth in the answer to question 3c on the Statement of Financial Affairs. Persons listed as "insiders" have been included for informational purposes only and this is not intended to be nor should be construed as a legal characterization of such party as an insider and does not act as an admission of any fact, claim, right or defense, and all such rights, claims, and defenses are hereby expressly reserved. Further, the Debtor does not take any position with respect to (a) such person's influence over the control of the Debtor; (b) the management responsibilities or functions of such individual; (c) the decision-making, or corporate authority of such individual; or (d) whether such individual could successfully argue that he or she is not an "insider" under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose.

Excluded Assets and Liabilities. Additionally, certain deferred charges, accounts or reserves recorded for GAAP reporting purposes only and certain assets with a net book value of zero are not included in the Debtor's Schedules. Other immaterial assets and liabilities may have been excluded.

Summary of Significant Reporting Policies. The following is a summary of certain significant reporting policies:

- a. **Foreign Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- b. **Current Market Value – Net Book Value.** In many instances, current market valuations are neither maintained nor readily available to the Debtor. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtor's property interests that are not maintained or readily available. Accordingly, unless otherwise indicated, the Schedules reflect the book values, rather than current market values of the Debtor's assets on the Petition Date and may not reflect the net realizable value. For this reason, amounts ultimately realized will vary, at some times materially, from net book value.
- c. **Employee Wages.** As of the Petition Date, the Debtor was current with the majority of claims relating to employee wages and benefit claims, claims of independent contractors, and contract personnel who provided services to the Debtor ("Employee Claims") through the Petition Date. Former employees, therefore, have

not been listed on Schedules E or F, but have been listed on the creditor mailing matrix in the event amounts distributed to them are subject to claims of the chapter 7 estate or they might have Employee Claims not otherwise identified by the Debtor.

- d. Brokerage Customer Claims. The Debtor's former business was to serve as an "introducing broker" to numerous institutional and individual investors. All "customer property" traceable to these accounts is held by clearinghouses who executed trades at the Debtor's instruction. As such, the Debtor does not believe customers have any claims on account of the Debtor's insolvency and, due to the large number of former clients, the Debtor has not listed these clients on any of the Debtor's Schedules. The Debtor has included SIPC and the SEC on its creditor mailing matrix.
- e. Credits and Adjustments. The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtor's books and records and may not reflect credits, allowances or other adjustments due from such creditors to the Debtor. The Debtor reserves all of its rights with regard to such credits, allowances, and other adjustments, including the right to asset claims objections and/or set offs with respect to same.
- f. Property, Plant and Equipment. Property, plant and equipment are carried at cost. The costs of additions, improvements and major replacements are capitalized, while maintenance and repairs are charged to expenses as incurred. Provisions for depreciation and amortization are made using straight-line rates over the estimated useful lives of the related assets and the shorter of useful lives or terms of the applicable leases for leasehold improvements.
- g. Liens. The inventories, property and equipment listed in these Schedules are presented without consideration of any mechanic' or other liens.
- h. Leases. In the ordinary course of business, the Debtor may lease certain fixtures and equipment from certain third party lessors for use in the daily operation of its business. The underlying lease agreements are listed on Schedule G and any current amount due under such leases that were outstanding as of the Petition Date are listed on Schedule F. Nothing in the Schedules is or shall be construed as an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtor reserves all rights with respect to such issues.
- i. Location of Assets. Where not otherwise stated, the Debtor's furniture, fixture, and equipment assets are located in one of the Debtor's offices:

1251 Avenue of the Americas, New York, NY 10020

80 Cutter Mill Road, Suite 207, Great Neck, NY 11021

Undetermined Amounts. The description of any amount as “unknown” or “undetermined” is not intended to reflect upon the materiality of such amount.

Estimates. To timely close the books and records of the Debtor as of the Petition Date, the Debtor was required to make certain estimates and assumptions to affect the reported amounts of assets and liabilities and reported revenue and expenses as of the Petition Date. The Debtor reserves all rights to amend the reported amount of assets, liabilities, reported revenue and expenses to reflect changes in those estimates and assumptions.

Totals. The asset totals listed on Schedule B represent all known amounts included in the Debtor’s books and records as of the Petition Date. To the extent there are unknown or undetermined amounts, the actual total may be different than the total listed.

Claims Description. Any failure to designate a claim on the Schedules as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtor that such amount is not “disputed,” “contingent,” or “unliquidated”. The Debtor reserves all rights to dispute, or to assert any offsets or defenses to, any claim reflected on the Schedules on any grounds, including, without limitation, amount, liability, validity, priority, or classification, or to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.” Listing a claim does not constitute an admission of liability of the Debtor, and the Debtor reserves the right to amend the Schedules accordingly.

Schedule B– Causes of Action/Potential Claims. Despite its reasonable efforts to identify all known assets, the Debtor may not have listed all of its causes of action or potential causes of action against third parties as assets in its Schedules, including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant nonbankruptcy laws to recover assets. All values reported are as of the Petition Date unless otherwise stated. The Debtor reserves all of its rights with respect to any claims, causes of action, or avoidance actions it may have, and neither these Global Notes nor the Schedules shall be deemed a waiver of any such claims, causes of action, or avoidance actions or in any way prejudice or impair the assertion of such claims.

Rider B.13 to Schedule B – Shares of Stock. Other than the items delineated under the headings *Shares Owned but Not Delivered* and *Shares Held at Dawson James/Sterne Agee*, each position reflected is believed to have *de minimis* or no value.

Rider B.15 to Schedule B – Warrants. The warrants and proceeds therefrom are collateral securing the repayment of the Debentures issued by DHMC in November 2011.

Schedule E – Creditors Holding Unsecured Priority Claims. The Debtor reserves the right to dispute or challenge whether creditors listed on Schedule E are entitled to priority claims. Notwithstanding that employees were paid through the Petition Date, the Debtor may have pre-petition liabilities to certain former and current employees who hold claims relating to various employment arrangements (the “Employee Claims”). The Debtor has not named individual claimants or included any individual accounting for any potential Employee Claims in the Schedules. Aside from the liquidated claims listed on Schedule E, the Debtor believes it is

current on all other tax obligations but has listed the IRS and various state and city taxing authorities where it conducts business as contingent, unliquidated claims.

Schedule F – Creditors Holding Unsecured Nonpriority Claims. The Debtor has attempted to disclose all liabilities. Certain creditors listed on Schedule F may owe amounts to the Debtor and, as such, may have valid setoff and recoupment rights with respect to such amounts. The amounts listed on Schedule F do not reflect any such right of setoff or recoupment and the Debtor reserves all rights to challenge any setoff and/or recoupment rights that may be asserted. Additionally, certain creditors may assert mechanics', materialman's, or other similar liens against the Debtor for amounts listed on Schedule F. The Debtor reserves its right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule F. In addition, certain claims listed on Schedule F may be entitled to priority under 11 U.S.C. § 503(b)(9). The Debtor has made its best efforts to include all trade creditors on Schedule F. The Debtor believes, however, that there are instances where vendors have yet to provide proper invoices for prepetition goods or services. While the Debtor maintains general accruals to account for these liabilities in accordance with GAAP, these amounts are estimates and not tracked on a vendor by vendor basis, and as such have not been included on Schedule F. The claims listed in Schedule F arose or were incurred on various dates prior to the Petition Date and have been aggregated to reflect gross amounts owing to a particular vendor to avoid duplication of listings where possible. In certain instances, the date on which a claim arose is an open issue of fact. While commercially reasonable efforts have been made, determining the date upon which each claim in Schedule F was incurred or arose would be unduly burdensome and cost prohibitive and, therefore, the Debtor does not list a date for each claim listed on Schedule F.

Schedule G – Executory Contracts and Unexpired Leases. Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Likewise, the listing of an Agreement on Schedule G does not constitute an admission that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Petition Date or is valid or enforceable. The Agreements listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters or other documents, instruments or agreements which may not be listed on Schedule G. Any and all of the Debtor's rights, claims and causes of action with respect to the Agreements listed on Schedule G are hereby reserved and preserved, and as such, the Debtor hereby reserves all of its rights to (i) dispute the validity, status, or enforceability of any Agreements set forth on Schedule G; (ii) dispute or challenge the characterization of the structure of any transaction, or any document or instrument related to a creditor's claim, including, but not limited to, the Agreements listed on Schedule G; and (iii) to amend or supplement such Schedule as necessary.

SOFA 3. The response to SOFA 3(b) does not include checks that were either (a) voided or (b) not presented prior to the Petition Date. The amounts paid to employees prior to the Petition Date within the 90-day preference period are included in response to 3(b) while payments to management employees who might be considered "insiders" are listed only in response to 3(c). In addition, the Debtor has attempted to identify all setoffs taken within the last 90 days by creditors in response to SOFA question 10, however, failure to list all such setoffs is not a waiver

of any claim regarding portions of amounts paid or invoiced in the 90 days prior to the Petition Date that may be attributable to setoffs.

The Debtor historically operated as a full-service investment bank (broker-dealer) regulated by the Financial Industry Regulatory Authority (“FINRA”) and the Securities and Exchange Commission (“SEC”). Effective November 14, 2012, the Debtor’s broker-dealer license was terminated upon application of the Debtor. As broker-dealer, the Debtor was subject to the SEC’s uniform net capital rule, Rule 15c3-1 of the Securities Exchange Act of 1934, as amended (“Exchange Act”), which specifies the minimum level of net capital a broker-dealer must maintain and also requires that a significant part of its assets be kept in relatively liquid form. In order to fully comply with the SEC’s net capital requirements and maximize the level of investment banking activity that the Debtor could undertake (including underwritten offerings), substantially all of the assets and business operations of the consolidated entities (which include the Debtor and are comprised of Debtor’s parent, DHMC, which is filing a Voluntary Petition simultaneously herewith, and all of its consolidated entities, including Direct Markets, Inc., which is filing a Voluntary Petition simultaneously herewith) were held and transacted by the Debtor. The majority of the revenues of the consolidated group were generated by the Debtor. Effectively, Debtor provided all administrative and back-office function for the consolidated group including all accounts payable function. As a result, Riders 3(b) and 3(c) to SOFA 3 include all payments made by the Debtor on its own behalf and on behalf of all members of the consolidated group, including DHMC and Direct Markets, Inc., for which it acted as administrative agent. Such payments to those creditors were made only from the Debtor.

SOFA 9. The aggregate payment to Crowell & Moring, LLP of \$60,000 covers services rendered, and to be rendered, to the Debtor and its affiliated entities, DHMC and Direct Markets, Inc., which are simultaneously filing Voluntary Petitions.

SOFA 11 – Warrants Sold. The aggregate proceeds of the warrants sold reflected in the Rider to SOFA 11 were collateral for the repayment of the Debentures issued by DMHC in November 2011. Such amounts were distributed to the Debenture holders in reduction of the principal amount of the respective Debentures. Such amounts distributed to the Debenture holders within the last 90 days are set forth in Schedule 3(b) to SOFA 3.
